

TOUR: GOLMER SEENWEG

In the following, a short tour description about the Golmer Seenweg is given. We were hiking the route in late summer 2023.

In the following picture, you can see a marvelous view which is to be had on the tour:

View of the Rätikon Group approximately two thirds along the way.

It can be experienced somewhat into the tour, about two thirds along the way.

OVERVIEW OF THE TOUR

The following picture depicts an overview of the tour on the map:

The map overview of the tour
