

TOUR: GOLMER SEENWEG

In the following, a short tour description about the Golmer Seenweg is given. We were hiking the route in late summer 2023.

In the following picture, you can see a marvelous view which is to be had on the tour:

*View of the Rätikon Group
approximately two thirds along the way.*

It can be experienced somewhat into the tour, about two thirds along the way.

OVERVIEW OF THE TOUR

The following picture depicts an overview of the tour on the map:
